Mr. Paul Aprigliano  
Newark HUD Office  
One Gateway Center  
Newark, N.J. 07102

Dear Mr. Aprigliano,

Another problem has been brought to our attention by residents of Georgia King Village.

It concerns the room which was previously being used by the senior citizens for a series of activities. The seniors were told to vacate the room, and take all their supplies. Residents tell us that the room is now being used again, for seniors, but only for those who can pay a monthly fee. Those using the room and paying the fee are being allowed to store things there. There was no fee prior to this time for use of the room.

This series of events initiated by the present manager at Georgia King Village seems designed to create concerns, because it seems abrupt, arbitrary, and unfair. We ask that you or someone on your staff investigate this situation.

Sincerely,

*Nancy Zak*
